

EMIN

EUROPEAN **MINIMUM INCOME** NETWORK

The European Minimum Income Network (EMIN) is an informal **Network of organisations and individuals** committed to achieve the progressive realisation of the right to **adequate, accessible and enabling Minimum Income Schemes.**

MINIMUM INCOME SCHEMES

are income support schemes which provide a safety net for those of working age whether in or out of work and have insufficient means of financial support.

ADEQUATE

Adequacy is defined as a level of income that is indispensable to **live a life in dignity** and to fully participate in society.

Adequate Minimum Income Schemes take account of the evolution of the cost of living.

ACCESSABLE

Accessible is defined as providing **comprehensive coverage for all people who need the schemes for as long as they need** the support.

ENABLING

Enabling is defined as schemes that promote people's **empowerment and participation in society** and facilitates their access to quality services and inclusive labour markets

EMIN is organised at **EU and national levels**, in all the Member States of the European Union and also in Iceland, Norway, Macedonia (FYROM) and Serbia.
